Happy Friday!

What an incredible start to our school year! The hallways were full of smiles and it was amazing how quickly students were back into the school routine! We wanted to give families a heads up that next week we will be having our 1st fire drill of the year. For the first two drills, we will give students advanced notice to ease any worries and to learn new routines. There will also be a notice sent home next week regarding lock down drills. Please keep an eye on your inbox.

As part of the Safe Schools Strategy, each school had to create a vision statement and matrix to encourage positive behaviour. As a school team, we developed a snapshot of what it means to be a member of the Ross Road School Community. We are now looking for YOUR feedback! We will also be seeking feedback from our students. Please click the link below to access our statement and matrix!

Thank you all for your part in making this such a great start to our year!
