It's Friday!!

We are officially halfway through our 1st month of school and things are off to an incredible start! This week student's enjoyed the relaunch of the Nova Scotia School Lunch Program, the food looked and smelled delicious! We also had our 1st lock down drill and our community liason officier was able to join us. Students were extremely respectful and the drill went smooth.

Next week we have lots to look forward to! Terry Fox Walk/Run will take place on Wednesday, Sept. 24 with a rain date for the next day (Thursday). We also have our second Home and School Event! The school has been just buzzing with excitement for the upcoming video dance for our grades 6 - 9 students!

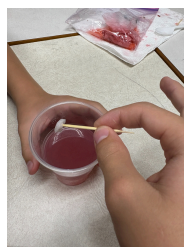

Thank you to those of you who provided us with feedback on our [vision statement and matrix](#). We've updated it with your considerations and we are ready to launch it in October! More details to follow!

A Message from Ms. LaChance..

Some library books borrowed last year are still out and about! If you spot any hiding under the bed, tucked in a backpack, or camping out on a bookshelf at home, please send them back our way. We'd love to get them ready for this year's readers. Thanks for helping us round them up!
