

Ross Road School's Town Hall

What is a Town Hall?

A **town hall** is a meeting held once a month. This meeting is made up with representatives from each class.

Why Have a Town Hall?

In our school, we believe that **everyone's voice matters**, whether you're in pre-primary or in Grade 9. A town hall is a chance for all of us—no matter what grade we're in- to come together as one community. It's a place where everyone can share their thoughts on how to make our school a better place.

How Does It Work?

- **Everyone gets a chance to speak.** Whether you're in Preprimary or Grade 9, there's space for your ideas.
- **We listen to each other.** Respect is key—everyone's ideas and concerns are important.
- **It's about building our community.** Town halls help us learn what works well and what we can do better to make our school an even better place to learn and grow.
