Happy Thursday RRS Families,

Happy October!

It was an awesome week at school! We had to reschedule our bus evacuation drill due to the rain so it has been moved to Tuesday, October 28th. This is a drill that happens each year that provides students with an opportunity to learn how to exit the bus safely. Our grade 7 students were incredibly brave during the 1st immunization clinic. The second clinic will be in April, 2026.

Next week our elementary classes and Grade 701 and Grade 7802 will be participating in Land Acknowledgement workshops. Students will be writing their own acknowledgement that will be compiled into a whole class piece. These acknowledgements will be shared with you very soon! Students and staff are invited to wear orange and black on Friday, October 31st!

We are excited to share with you that our Student Town Hall will be taking place next week. Our focus will be on class disruptions and allowing students to share their experiences, ideas, and suggestions! We will be sharing our meeting minutes with you next Friday! We hope you have a wonderful weekend,
Your RRS Team

Family Halloween Dance!

Grab your costumes and dancing shoes - it's time to "boo"gie! Join us on Thursday, October 23rd from 6:30-8:00 PM for a spooktacular night of music and fun for the whole family! You won't want to miss this fang-tastic event! Please note that a parent or guardian must be present for the duration of the event.

Junior High News

We have some amazing things happening in with our junior high students! We'd like to welcome, Ms. Souad to our school! Her role is a secondary math coach and support teacher and she works directly with staff and students. Ms. Souad will be with us for 5 weeks.

On November 20th, our entire junior high will be travelling to Neptune Theatre to see the Wizard of Oz. This incredible opportunity was offered to our students from a donor! Neptune Theatre will also be providing us with a grant to help cover our transportation cost! More details to follow! We are so grateful for this opportunity and beyond excited to share it with students!
