

Happy October!

Hello RRS Families,

We are so incredibly proud of every student here at Ross Road School! Our Jr. High students are putting in a big effort to make sure they clean up their mess at lunch. Our elementary students are showing one another kindness and respect when playing outside.

Next week our grade sixes will write their provincial assessments. We will also have our second fire drill on Thursday. On Friday, October 10th, we will have a special visitor working with our Junior High students creating their own land acknowledgements. We are excited to share them with you when they are finished. Students will also begin reading their land acknowledgements over the announcements.

October 24th our Home and School Committee will be hosting a family Halloween Dance! They will need some help with set up and decorating. If you're able to volunteer please reach out to afrost@hrce.ca.

Have a great weekend,
Your RRS Team

O Canada in Schools

In September, the Nova Scotia Department of Education and Early Childhood Development shared a new provincial policy about the playing of our national anthem in schools. You can read it [here](#). In keeping with this policy, we play O Canada at the beginning of each school day in our school. If you have any questions, please reach out to the school office.

October 1 is Treaty Day

Celebrating and recognizing Treaty Day is an important way we can strengthen understanding and respect for Indigenous cultures and histories. It highlights the significance of treaties as living agreements that shape relationships between Indigenous peoples and the government. By educating students about Treaty Day, we promote awareness of Indigenous rights and contributions and encourage reconciliation. This celebration helps build a more inclusive and respectful society, where students learn the importance of honouring commitments and working together for a better future.

We are so lucky to be surrounded by such beautiful trees!
