Happy Friday!

We wanted to share a few highlights and reminders from another busy (and fun!) week at school:

- The hallways have been buzzing with excitement about the Olympics – students are loving the energy!
- We've been busy with presentations for our Grade 9 students... hard to believe we're already this far into the school year.
- Global Play Day happened this week and was a big hit! Board games, mini-sticks tournaments, and lots of smiles all around.

Looking Ahead:

- A Lockdown Drill will take place next Thursday.
- The Valentine's Dance is also happening next Thursday evening – our first fundraising event for the Grade 9s!
- On Friday, February 13, students are welcome to wear red and/or pink to join in the fun.

Thanks, as always, for your support. Wishing everyone a great weekend!

## "Strength in Unity"

African Heritage Month in Nova Scotia is a time to recognize and celebrate the rich history, vibrant culture, and lasting contributions of people of African descent in our province. This year's theme, "Strength in Unity – Moving Forward with Purpose, Prosperity, Power and Progress," reminds us of the importance of coming together as a community, learning from one another, and moving forward with shared purpose. In our schools, African Heritage Month provides meaningful opportunities for students to explore African Nova Scotian histories and experiences, deepen their understanding of our shared past, and reflect on the values of respect, inclusion, and belonging. Through classroom learning, discussions, and activities connected to this year's theme, students are encouraged to appreciate diversity, build empathy, and recognize the strength that comes from unity. These experiences help foster welcoming school communities and inspire students to contribute positively to a more inclusive and equitable future for all.
