Happy Fri-yay!

The 100th day of school is coming up on the 18th! One hundred days wiser- not bad at all! A reminder that there is no school on Monday, so enjoy the long weekend, sleep in a little, and soak up some extra family time. We're still smiling about our fantastic ski trip this past week. Students were amazing ambassadors for our school and had an unforgettable experience. A huge thank you to Ms. Patterson, Ms. Hann, and all of our wonderful volunteers - you made this adventure possible! Our lockdown drill has been moved to Thursday, February 19th. As always, we approach drills in a calm, supportive way so students feel safe and prepared.

Don't forget - registration month is underway for upcoming Preprimary and primary 2026 - 2027 school year. If you have questions, we're here and happy to help.

Have a wonderful long weekend, rest up, and we'll see everyone next week ready for more learning and laughter.

Before you go... Why did the student eat their homework?

Because the teacher said it was a piece of cake!

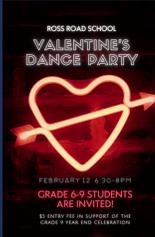

Your RRS Team

Thriving Offline: How Delaying Smartphones Can Help Kids Flourish

Thriving Offline: How Delaying Smartphones Can Help Kids Flourish, a free community event hosted by Unplugged Canada at St. Margaret's Bay Elementary, is available both in person and virtually.

Designed for caregivers and educators, this session will explore how early smartphone and social media use impacts children's development and the latest research, practical strategies, safer alternatives, and age-appropriate boundaries to support healthy childhoods.

Join us! Thriving Offline: How Delaying Smartphones Can Help Kids Flourish
