Happy Friday,

It was a short week, but it was certainly jam-packed with school spirit and meaningful learning.

Students came together to celebrate some exciting wins for Canada and also shared in the disappointment of a hard-fought loss by the Canadian women's hockey team. It was wonderful to see our students engaged in these national moments and supporting our athletes with such enthusiasm.

We also held a pep rally to send off our school teams as they headed into their playoffs. The energy in the gym was incredible, with students cheering loudly and proudly showing their support. We are extremely proud of each and every athlete for their dedication, and hard work throughout the season. Thank you as well to our families, spectators and volunteers who came out to support our teams – your encouragement makes a difference.

Our Home and School Association continues to do amazing things for our school community. Most recently, they have supported a refresh of our school counsellor's office, helping to create a welcoming and comfortable space for students.

A reminder to Grade 9 families to please check the link shared regarding updated information for course selection. We ask that you review the selections carefully and ensure the course selection sheet is signed and returned.

We hope you enjoy the weekend and we will see everyone on Monday!

Your RRS Team

## Important Dates

Feb. 23rd - Info Session  
for Grade 6 Families  
6:00 - 7:00

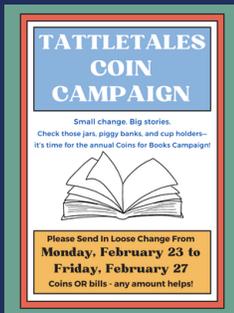

March 13 - Assessment &  
Evaluation Day No School  
for Students

March 16 - 20 March  
Break

## Two Truths & AI

Two Truths & AI is a free, interactive activity from Common Sense Education that helps students learn how to tell the difference between real and AI-generated content. Through guided examples, students practice asking good questions and thinking critically about what they see online. This resource can also be a helpful way for parents and caregivers to build their own understanding of AI and media literacy alongside their children. Learn more [here](#).
