Hoppy Thursday!

Thank you to all of our families who joined us for progress conferences this week. It was wonderful to connect and celebrate student learning and growth together. Please remember that you are always welcome to reach out to your child's teacher at any time, or to the school office/admin team if we can support you in any way. Our students were certainly feeling the excitement this week—there were a lot of “bouncing like bunnies” moments as we headed into the long weekend! Report cards were sent home this week. If you had any trouble accessing them, please reach out and we will be happy to help. We are so proud of the growth, effort, and achievement we see every day at RRS.

Looking ahead, we are excited for our GLOW Family Dance next week! We will also be practicing an important safety routine with our 4 out of 6 fire drills of the year on Friday. Wishing all of our families a safe, happy, and restful long weekend.

Your RRS Team

April 2 is Autism Awareness Day

Autism Awareness Day is an opportunity to recognize and celebrate the many strengths and experiences of autistic children and youth in our school communities. For families, it's a moment to reflect on the importance of feeling seen, heard, and supported – not just today, but every day. In our schools, awareness is only the beginning. True inclusion comes from acceptance, understanding, and a commitment to meeting each student where they are. When educators, students, and families work together to build empathy and reduce barriers, we create environments where every child can thrive.

Recognized globally on April 2, World Autism Awareness Day, led by the United Nations, highlights the importance of improving quality of life and upholding the rights of autistic individuals. This year's theme, “Autism and Humanity - Every Life Has Value,” reminds us that every person deserves dignity, respect, and the opportunity to thrive, both in school and beyond.
