Happy Friday, families!

We've had such a wonderful week! Today, our Grade 8s enjoyed a great presentation from Green Energy, and Team Murphy celebrated their annual Nitap (Friendship) Day with visiting friends from Eskasoni. It was a beautiful day, made even more special when the students of Allison Bernard Memorial High School gifted our Grade 6 class a personalized drum.

Looking ahead, our Grade 3s and 8s are getting ready for their provincial assessments. We'll be doing plenty of practice with sample tests beforehand so the students feel totally confident and comfortable with the format. The Grade 3s will complete theirs on May 11, 13, 19, and 21. Our Grade 8s will write theirs from June 1st to 4th, and for the very first time, they'll be completing them on Chromebooks!

Finally, to kick off next week, our Grade 6 band is putting on a performance this Monday. We are so excited to hear how much they've improved!

Have the best weekend!

**Staff Appreciation**

We are planning something special for our staff, but need your help!

Is there a staff member who always goes above and beyond? Has your student told you a story of kindness shown by their teacher, EOE, lunch monitor, EPA, or staff member?

We want to know!

Use the Google form to submit your kind words of thanks!

**BINGO**

### Creating a Safe, Secure, And Focused Environment For Our Students is Our Top Priority, And We Need Your Help to Maintain it!

We have noticed recently that some visitors are bypassing the main office and heading straight into hallways, classrooms, or other school spaces. While we love seeing our families and welcome your presence, it is mandatory that all adults and visitors report directly to the main office upon entering the building.

Knowing exactly who is in the school at all times is a critical part of our emergency and safety protocols. We kindly ask that you make the office your very first stop every time you visit, no matter how brief your stay might be. Thank you for your understanding, your support, and for helping us keep our building safe for everyone.
