End Trip -Boat Cruise

June 18 - Year End Dance

June 22-25 Grade 9

Assessments

June 26 - Grade 9 Closing

Happy Monday-Eve!! (a little later than usual... the sunshine may have been a little distracting! haha)

Can you believe we are already heading into the last week of May? There are only 5 full weeks of school left- where has the time gone?!

We have had a whirlwind of a week, and there is so much to celebrate. Let's dive into a quick recap of the magic and a look at what's coming up next!

### What Happened Last Week

- Future Grade 7 Orientation: Our first Orientation Night for the incoming Grade 7s was a huge success! A massive thank you to our current students who stepped up to share their insider tips and tricks for Jr. High success. You all made our future students feel so welcome.
- Year-End Band Concert: Right after orientation, our musicians took the stage for the year-end band concert. Wow, what a show! We are incredibly proud of all the hard work and talent on display.
- Track & Field Regionals: Our athletes absolutely crushed it at Regionals! A huge shoutout to everyone who participated. We are thrilled to announce that one of our amazing athletes, Greyson, is moving on to Provincials! Wish him the best of luck if you see him in the halls!

### Looking Ahead to This Week

- Grade 9 High School Visits: This week, our Grade 9s will be heading over to visit Cole Harbour High School first thing Monday morning! It's a big milestone! 😊
- School Walk-A-Thon (Friday): On Friday, our students will be hitting the pavement for our annual Walk-A-Thon! It's always such a fantastic day for building school spirit, getting active, and making memories.

Thank you for being such a supportive community. Let's make these last few weeks the best ones yet! Have a wonderful week, everyone!

## Access Awareness Week - May 31 to June 6

Access Awareness Week in Nova Scotia, taking place May 31-June 6, 2026, is an opportunity to recognize the importance of accessibility, inclusion, and the leadership of people with disabilities. This year's theme, "Disability Justice: Stronger Together, First Voice Leading Change for Collective Action," emphasizes the importance of centering lived experience and working collaboratively to create meaningful, lasting change.

In schools, this week is a powerful reminder that inclusion is everyone's responsibility. Classrooms are where understanding begins - through learning, conversation, and action. By listening to diverse voices, removing barriers, and fostering accessible learning environments, educators and students help build school communities where all learners feel valued and supported.
