Nova Scotia Loyal Farmers' Market Voucher Program

Once again this year, students across the province will receive a \$10 Nova Scotia Loyal voucher to use at participating farmers' markets. The program encourages young people and families to explore local markets, support Nova Scotian growers and producers, and learn more about where their food comes from. From fresh produce and baked goods to locally made products, the initiative helps connect students with their communities while supporting small businesses and strengthening the local economy. Families are encouraged to visit participating markets over the summer months and discover all that Nova Scotia has to offer through the [Nova Scotia Loyal program](#). Watch for these vouchers coming home soon!
