TO RRS FAMILIES

What a week at RRS! Even with a midweek day off, it was packed with activity—including enough rain to give us a temporary new school feature: the RRS "Duck Pond"! 🦆🌧️

A big thank you to everyone who came out to support our Home & School Bingo night. Every contribution makes a meaningful impact, as all funds raised directly support the learning and well-being of every student at RRS. We truly appreciate our amazing school community!

Looking Ahead to Next Week

- Fire Drill #2: We will be conducting our second planned fire drill of the year (out of six). During our first drill, the entire school evacuated in 3 minutes and 8 seconds. We've challenged the students to beat their time this round and get our evacuation under 2 minutes! ⌚
- Pancake Breakfast & Buddy Event: Next Wednesday, we are hosting our very first whole-school Buddy event! Paired classes will gather to sit together, connect, and enjoy a delicious pancake breakfast. 🥞

A Friendly Request for Jr. High Families 🍿

To help keep our lunch lines moving smoothly, we could use a little support from home. If your Jr. High student plans to bring popcorn, ***please pop it at home before school whenever possible.*** Last week, with around eight students waiting to pop popcorn, long lines built up and left several other classmates without enough time to heat up their meal or eat comfortably. Your help with this will ensure every student gets a chance to heat their food and enjoy a full lunch period!

Thank you for your continued support, and have a wonderful weekend!

FIRE PREVENTION WEEK: OCTOBER 4-10

Halifax Regional Fire & Emergency is inviting families to take part in Fire Prevention Week, October 4-10. Visit halifax.ca/fpw to complete an online fire safety quiz. Want to win a Nintendo Switch, Apple products or LEGO sets? Participants who score 100% will be entered into a draw for a prize in their age category.

This year's theme, "Safe Charging is a Superpower," focuses on the safe use and charging of rechargeable devices powered by lithium-ion batteries. These batteries power many everyday devices, including phones, tablets, laptops, e-bikes and power tools. If damaged or charged improperly, they can overheat and cause fires.

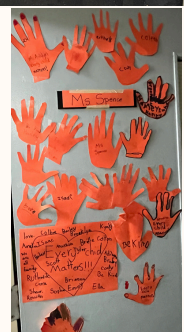

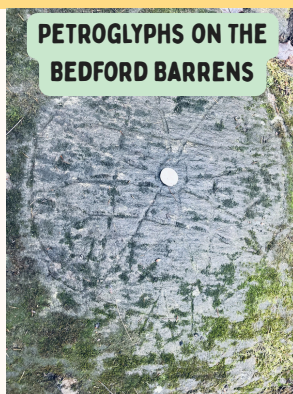

**October
DON'T MISS THIS!**

- Oct. 5th:** H&S Meeting @ 6:30
- Oct. 7th -** Whole School Breakfast
- Oct. 8th :** Grade 9 Parent Meeting @ 6:30
- Oct. 14th:** SAC Meeting @ 6:30
- Oct. 20th -** Grade 7 Immunization Clinic
- Oct. 22nd -** Home & School Family Halloween Dance
- Oct. 23rd -** No School For Students

A LITTLE WINDOW INTO LIFE AT RRS THIS PAST WEEK!

OCT. 1ST WAS TREATY DAY!

Treaty Day is an opportunity to learn, reflect and deepen our understanding of the historic and ongoing relationships between Mi'kmaq and non-Mi'kmaq people in Nova Scotia.

Treaties are not simply part of our past. They are living agreements that continue to shape our shared responsibilities today. In schools, Treaty Day provides an important opportunity to help students understand Mi'kmaq history, culture, rights and perspectives, while exploring what it means to live together in a spirit of respect, partnership and reciprocity.

By continuing to learn about the Treaties and our responsibilities within them, we help build stronger relationships and contribute to the ongoing work of reconciliation.
