RRS FAMILIES,

It was certainly a wild week of surprises around every corner! Despite the curveballs, our school community showed incredible flexibility, patience, and team spirit. Here are a few highlights and important updates as we wrap up the week:

- **Power Outage Champions:** A huge thank you to our amazing staff and students who rolled with the punches during our surprise power outage. Everyone went with the flow and made the absolute best of what felt like a very long hour!
- **Bus Safety Wrapped Up:** Our annual bus evacuation drill is done for another year! Students got to sit on the bus yesterday and learn essential safety rules, including how to evacuate safely in the event of an emergency.
- **Jr. High Canteen Was a Hit:** Our very first Jr. High canteen was a huge success! Thank you to everyone who dropped by to support our Grade 9s and their year-end event fundraising. With no school next Friday, canteen will be on on Thursday!
- **Grade 6 Provincial Assessment:** A quick reminder that the Grade 6 provincial assessment has been delayed by one week. Grade 6 families should have received an email yesterday with full details.
- **Rescheduled Town Hall:** Due to the power outage shaking up our schedule, our Town Hall has been moved to Wednesday, Oct. 22nd.
- **Grade 7 Immunization Clinic:** Immunizations for Grade 7 students are taking place this Tuesday. If your child is feeling nervous or if there is anything specific we can do to help them feel more comfortable, please let us know!
- **Jr. High Check-In Assembly:** Our Jr. High students will have a check-in assembly on Monday, Oct. 19th to refresh, remind and reset on a few expectations.

Thank you to everyone for your continued support and positive energy—it makes all the difference! Wishing you all a safe, restful, and wonderful weekend.

OCTOBER 19-23 IS SCHOOL BUS SAFETY WEEK

School Bus Safety Week is a chance to highlight the simple habits that help keep everyone safe — from waiting well back from the road, to following the driver's instructions, to staying alert around stopped school buses.

Remember: In Nova Scotia, it's illegal to pass a school bus when its red lights are flashing and the stop arm is extended.
You can find out more information about riding the school bus in HRCE [here](#).
