

## January 2024

### Ross Road School

*Welcome to 2024, the season of new beginnings. Thank you to everyone for your cards, treats, gifts and greetings that were delivered to the school for staff prior to Christmas. Thank you to the Home and School for all their support in organizing the Santa Shop and decorating for the Holiday Concert. #### IMPORTANT WEATHER REMINDERS

Did you know? HRCE takes great care when making the decision to alter the regular operations of schools and school busses in the event of severe or inclement weather. It is HRCE's goal to communicate any changes to the regular operations of schools and/or buses as close to 6:00 a.m. as possible. **A 6:00 a.m. announcement could be:**

- All schools are delayed in opening by two hours and bus pickups are delayed by two hours; or
- All schools are open, but some or all busses are not operating for the day; or
- Some schools (either individually or by family) are closed for the day; or
- All schools are closed for the day.

If weather deteriorates, or is forecasted to worsen throughout the morning, **an 11:00 a.m. announcement could be:**

- Bussed students will be picked up two hours earlier than their regular dismissal time.
- Walking students will be dismissed at their regularly scheduled lunch hour.

### How will I find out?

- By email to the addresses in PowerSchool
- By text message, **if you have opted-in**. If you aren't sure if you have opted-in, text Y to the following number: **978338**
- On our website [www.hrce.ca](http://www.hrce.ca)
- On X (formerly Twitter) at [Twitter.com/HRCE\\_NS](https://twitter.com/HRCE_NS)
- On Instagram at [www.instagram.com/hrce\\_ns/](https://www.instagram.com/hrce_ns/)

It's important to always have a plan in place for childcare in the event of any cancellation.

### WINTER WEATHER

The cold weather has arrived! Please make sure that your child is dressed for cold weather – warm hats, mitts and boots make recess and lunch much more enjoyable. Having our younger children practice getting their winter gear on at home, on their own, is very helpful when they need to get ready with all of their friends here at school. **Please ensure your child's mittens, hats, footwear and jackets are labelled with their name or initials. Please put extra pants, socks, hats and mittens in your child's backpack for wet days!** Please contact the office if you are in need of winter wear as we may be able to help.

### JANUARY 15 IS MARTIN LUTHER KING JR. DAY

We will use his message of peace and equality for all as a springboard to a number of activities and learning opportunities where we will educate our students on how to **live together as caring, compassionate members of our school community.**

### FAMILY LITERACY DAY

Family Literacy Day takes place each year on January 27 to raise awareness about the importance of reading and engaging in other literacy-related activities as a family. This year's theme, in honour of Family Literacy Day's 25th anniversary, is let's have a party! Make food, sing songs, and play games. The possibilities for learning are endless.

### READING WITH YOUR CHILD

There is no more important activity for preparing your child to succeed as a reader than reading aloud together. Fill your story times with a variety of books. Be consistent, be patient, and watch the magic work. "It's no secret that activities at home are an important supplement to the classroom, but there's more to it than that. There are things that parents can give children at home that the classrooms cannot give." Click on the following link for some great at home reading ideas!

## CHECK OUT THE NEW HRCE.CA WEBSITE!

Last winter, we asked staff, families, and SACs for feedback on our website. We used that input to build a new family-focused site that prominently features the information our communities need most.

You'll notice:

- Fewer pages – we deleted outdated information.
- A clean, modern look and feel – it's an easy-to-navigate, user-friendly experience.
- Significantly improved accessibility – this is better for our community members who use screen readers and translation services.

## VIDEO SURVEILLANCE

Our school uses a video surveillance system as part of our continued efforts to support a safe, positive and effective learning environment. We recognize that the images recorded by this video surveillance system are personal information and, as with all other personal information, we take steps to balance privacy rights with safety and security concerns. The school has the legal authority to collect this personal information under Section 24 of Nova Scotia's *Freedom of Information and Protection of Privacy Act*.

Only designated staff has access to our video surveillance equipment and such access is restricted as required by law. The system is used to enhance school safety and to deter or take action in response to unlawful behaviors. If you have any questions about video surveillance at our school, please contact the school at 902-462-8340.
